

Miner Elementary School

April Garden Newsletter

Whats Growing?

Garlic

Peppers

Tomatoes

Cucumbers

Watermelon

Cantaloupe

The garden is open Monday through Friday from 3:30 to dusk.

Spring has Sprung

We have begun preparing the garden for our spring and summer season! Last Friday, our PreK and Kindergarten students planted cucumbers, watermelon, and cantaloupe in seed trays. These will grow inside under our grow lights. On April 21st, we will hold our annual Earth Day event. The event will run from 1:30-3:30. During that time, we will plant sunflowers, onions, corn, green beans, and more. We hope to see you there!
