

Hello Miner Community!

Interested in building relationships and a stronger community?

Interested in ensuring diversity of leadership?

Interested in tackling the hard issues of school inequity and structural racism?

Join the Miner Equity Team!

Our purpose is to build and strengthen our community by ensuring that everyone is represented and that everyone has a voice that is heard. This is done by advising school leaders (administration, PTO, LSAT) about issues relating to equity and inclusiveness, as well as by taking direct action within our school community toward these same goals.

Membership is open to anyone in the Miner community who has an interest in increasing equity and inclusiveness in our school and our community. Equity Team members are the heart of Miner's equity work and are responsible for taking the lead to identify needs, develop ideas, and put plans into action.

Come visit our table at Miner Community Day on September 26, 2020 from 1:00 to 5:00 PM
