Greetings Miner Elementary Families,

It is hard to believe, but here we are in the second month of 2024! Term 2 ended last week and February is an action-packed month here at Miner as we begin Term 3 of the academic year.

This week will wrap up **Middle of the Year (MOY) Testing**. We are so excited to see all of the progress that our students are making this this year! Be on the lookout - all MOY data will be included with your child's **Term 2 Report Cards** no later than Friday, **February 16th**.

Congratulations to all of our Miner Bears and top teacher homerooms that won the **i-Ready Challenge** this week! Remember that **60-minutes** is the minimum requirement to earn a prize from Dr. Plenty!

Kudos to the **141** scholars who had **Perfect Attendance** for the month of January! Daily attendance is vital to academic success! Remember to submit excuse notes in a timely manner for all days missed.
