## Garden Club Begins!

The Garden Club has begun to meet each week! The club meets every Thursday from 3:30-4:30 and will continue during the summer break. The Garden Club is open to Miner Elementary School students and the Ward 6 community. If you are interested in joining the club, please come prepared to get your hands dirty! We will be planting, watering, caring for, and harvesting the fruits, vegetables, and flowers that grow in our space. Please reach out to Ms. Sydney at [sydney.lawson@foodcorps.org](mailto:sydney.lawson@foodcorps.org) if you want to join in on the fun. We hope to see you there!
