

Meet the Teacher

MS. PEDERSEN

3RD GRADE MATH TEACHER

ABOUT ME:

This is my 6th year in education. I started in a PreK 3 classroom. Then, I taught 3rd and 4th grade. My favorite subject is math. I also love science experiments and helping young students learn to read. I enjoy listening to music, playing sports, watching Harry Potter movies, and solving 1,000-piece puzzles in my free time. I started the year as an ECE Special Education teacher, but I am excited to be teaching 3rd grade math again!

MY FAVORITES:

Food: Pizza & Nachos
Hobby: Puzzles
Flowers: Colorful Bouquet
Drink: Coffee
Season: Spring
Sport: Soccer & Rugby
Subject: Math
Color: Gray
Animal: Dogs & Turtles

EDUCATION:

I went to the University of California, Santa Barbara, and completed my degree in Sociology. I then attended Johns Hopkins University and graduated with my Masters in Education in 2020.
