Office of the Chancellor

February 2, 2018

Dear Miner Community:

As you know, Interim Principal Bruce Jackson has been an important part of the leadership team at Miner Elementary School in School Year 2017-2018. In an effort to maintain the academic progress at Miner and ensure a seamless transition for the upcoming year, Mr. Jackson will transition into the role of principal for School Year 2018-2019. Mr. Jackson's official appointment will begin this month, and he will have all the duties and responsibilities of a principal at that time.

Prior to assuming the interim principal role at Miner, Jackson served as a Mary Jane Patterson Fellow at Hart Middle School for School Year 2016-2017. Before taking part in the Patterson Fellowship, Jackson worked as an assistant principal with DCPS at Cardozo EC as well as a special education coordinator and special education teacher at MacFarland MS, and a special education aide at Walker-Jones EC. In 2017, Jackson won the prestigious Rubenstein Award for Highly Effective Leadership as part of the DCPS Standing Ovation Awards. Jackson received his Bachelor's in political science from Westfield State University and his master's in curriculum and instruction from American University.

I am confident that Mr. Jackson's experiences and current work at Miner have prepared him for this opportunity to continue the progress you have made with your students. I look forward to continuing to work closely with the Miner community to ensure the long-term success of the school.

Respectfully,

Antwan Wilson  
Chancellor
