Potatoes
Sweet Potatoes
Collard Greens
Kale
Carrots
Beets
Chives
Thyme
Oregano
Mint
Wildflowers

The garden is open for community use
Monday through Friday from 8:00 to 3:30. Stop on by!

What is new in the garden?

Thanks to a generous grant from the Capitol Hill Community Foundation, Ms. Harding-Wright's preschool class was able to purchase materials to study monarch caterpillars. Students are learning about the life cycle of the monarch and rearing caterpillars at home. Monarchs are dependent on milkweed to survive. In order to support monarchs and this project, we will be planting milkweed in the garden at Miner Elementary. Head to the garden and carefully observe these butterflies in their habitat!
