

Miner Elementary School | Parent Teacher Organization

April 24, 2025

As we approach the conclusion of the school year, it is once again time for elections for Miner's Local School Advisory Team (LSAT) and Parent Teacher Organization (PTO). This year, as we have done for the past few years, we will hold the elections electronically. We have found that our voter "turnout" has been significantly higher when we have held an electronic election. We sincerely hope this does not affect anyone's ability to cast a ballot or run for a position and will happily work with anyone who needs assistance.

We are truly lucky to have such an incredible community of parents, staff, and neighbors committed to helping Miner and its students succeed. So, if you've ever thought about getting involved in leadership at Miner, this is the time—the nomination period is now open!

If you've ever wanted to...

- Help improve student achievement;
- Advise the principal on important issues;
- Develop our school's strategic plan

...then run for election to Miner's LSAT!

If you've ever wanted to...

- Help organize fun events for students;
- Seek out partnerships and resources to benefit students, staff, and parents;
- Continue building and strengthening our community

...then run for election to the Executive Board of Miner's PTO!

Election packets with detailed information about nominations for LSAT Parent Representatives and PTO Executive Board, as well as the election process in general, will be distributed via the PTO google group email list as well as via Class Dojo. The packet will also be posted online at minerelementary.org/election.

If you have any questions, please feel free to reach out to either of us or to any current PTO leader. You can also email the PTO at minerpto@gmail.com.

Thank you Miner parents, teachers, staff, neighbors, and friends! The PTO looks forward to another fantastic year working together to make Miner a great community school of choice!

Go Mighty Bears!

MINER

ELEMENTARY SCHOOL

PARENT TEACHER ORGANIZATION

The purpose of the Miner PTO is to enhance and support the educational experience at Miner, to develop a closer connection between school and home by encouraging family and teacher involvement, and to improve the environment at Miner through volunteer and financial support.

COMMUNITY ★ COMMUNICATION ★ COLLABORATION

Our Values

Miner Elementary is a Title I DCPS school in the Capitol Hill/Kingman Park/H Steet Neighborhoods. Our PTO is a collaborative partnership of families, educators, and community members focused on caring for and supporting Miner's students in a deep and meaningful way.

Research shows that children who attend mixed-income, racially diverse schools will thrive. Students in an academic culture that values diversity tend to work harder, develop a more diverse set of friendships, and exhibit empathy. Research has shows that test scores are just one measure of what matters--and the community we are building at Miner values inclusion, collaboration, and diversity.

The PTO works with Miner's administration, LSAT, school committees, and external partners to ensure that Miner's students and staff have the resources they need to succeed. Along with many community stakeholders, we are also part of Miner's ongoing school improvement process to create positive, collaborative change.

Our PTO is focused on seeking ways to help improve Miner. From family engagement events to experiential educational opportunities, our PTO works with the administration, classroom teachers, and school specialists to bring resources, training, and energy! We are focused above all on relationship building within the school and across our community, grounded solidly in our neighborhood. We connect a diverse array of parents to each other, to the school, and to the neighborhood through events (such as our Annual Greenery Sale) and forums that encourage dialogue and understanding.

Social, Emotional, and Academic Learning

Our PTO volunteers also bring energy, excitement, and fun to the school experience. From a cookouts to fundraisers to teacher appreciation events, we do what all PTOs do--provide joy, support, and financial assistance to the members of our hard-working school community.

As a community we firmly believe in educating students with the whole child in mind: socially, emotionally, AND academically. While it's true that Miner's test scores demand improvement, our students are thriving, learning, and building strong relationships in a warm, caring environment. Because of the unique challenges many of our students face, Miner's educators, social workers, and mental health professionals are dedicated to ensuring wellness and success in every aspect of our children's lives.

All are welcome to join!
